Documentation and requirements

- In the days leading up to admission, gather all tests related to the intervention, preoperative tests (ECG, RX, etc.) or coagulation tests.
- If you belong to an insurance company, on the day of the test you must deliver the authorization of your printed mutual or send it previously to quirofanos@creublanca.es, as well as the medical prescription.
- Come with your ID or passport.
- Bring your insurance company's card, if applicable.
- Deliver the informed consent signed agreement. Only if you have been provided with it previously, otherwise you can sign it in the clinic before the intervention.
- Come with a companion.

Health status and medication

- Contact us if you have any type of eventuality the days before your intervention (fever, cold, infections or dental problems, etc.)
- If you take medication, you should consult with your doctor how to proceed.

Items for personal use

- We suggest you leave jewelry, watches, piercings and other valuables at home. CreuBlanca is not responsible in case of loss or deterioration thereof.
- You must go showered and clean.
- Do not use body creams or lotions, or perfumes.
- Come without makeup and without lipstick. Remove nail polish, gel or acrylic nails.
- Remove dentures, bridges, contact lenses, and hearing aids.
- On the day of the exploration, come with comfortable clothes.

Remember that you must consult the document of the preparation of the test that we have provided you to be able to perform it properly and guaranteeing your maximum security.

Clínica CreuBlanca⁺ Barcelona

The day of the Diagnostic Test

Admission

- Go 30 min. before the time of the test.
- Access Clínica CreuBlanca Barcelona through the entrance of Av. J. V. Foix, 63.
- Go to Surgical Admissions (floor 0) to complete all administrative procedures.

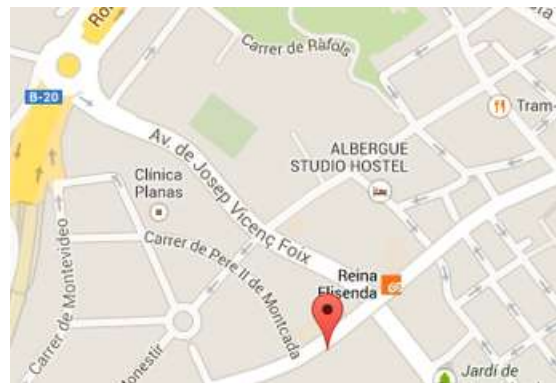

How to get to Clínica CreuBlanca?

Bus: V3, V7, H4, 68

FGC: Reina Elisenda, salida J. V. Foix.

Hospital discharge

You will stay in the center for as long as necessary for your recovery. At the time the doctor discharges you from hospital, the health personnel will give you the following recommendations:

- Indications and guidelines of care to follow.
- Date of the appointment you must book with the surgeon. Manage appointment booking with our Surgical Admissions staff.

Please note that you will NOT be able to drive or operate heavy machinery for the rest of the day.

Step by step of your intervention

We share a video where we explain the steps to follow on the day of the intervention.
