## COLONIC TRANSIT PREPARATION

You must stop by our centre to collect 2 capsules (20 markers) necessary to do the test by providing mutual request and authorisation.

### **Pickup address:**

Diagnosis Médica, C. Córcega 345, 08037 Barcelona. Radiology Reception open from 9am to 8pm

### **Administration of the capsules:**

You should take the 2 capsules on Sunday with breakfast before taking the X-rays.

### **Taking the X-rays:**

You must come to the centre for an abdominal X-ray on the following days (starting the day after taking the capsules):

- Monday
- Wednesday
- Friday

You can go without an appointment from 9am to 1pm.

**Important:** During the week you do the X-rays, you should not take any product to accelerate intestinal transit (anti-constipation products).
